Publication Date: 04/29/2022	Procedure No: 139

1. SUMMARY

Approve with edits is an option where a first-stage approver rejects a template and its associated procedure and elects to make the corrections needed themselves before approving, instead of sending the template or procedure to the submitting author for updates. **This scenario is intended only for minor spelling and grammatical changes.** The process for how to approve with edits is detailed in this procedure.

2. PROCEDURE

1. Select **Start review**.
2. Select the comment icon, input a comment in the text box, and select **Post**.
3. Select **Confirm with edits required**.
4. Complete the review of the template or procedure.
5. Select **Reject** and choose a rejection reason
6. Select **Submit rejection > Edit myself**.
7. Select **Edit template**.
8. Correct the issue.
9. Select the comment icon > **Reply**.
10. Type a reply indicating the changes made.
11. Select **Post & resolve**.
12. Repeat steps 8-11 for additional minor comments.
13. Select **Next > Submit for 1st stage review**.
14. Select **Start review**.
15. Select **Confirm as-is**.
16. Select **Approve** once all comments are resolved.
